Dear Parents and Stakeholders,

Africa Teen Geeks would like to convey best wishes to all matriculates and learners across the grades on their final examinations for the school calendar year of 2021. We are delighted to inform and update you on the latest developments and highlights in our space.

Africa Tech Festival 2021 Awards

ATG is particularly excited to announce that we have nominated as finalists in Africa Tech Festival 2021 awards in the category of "Building a Better, More Inclusive Digital World". This award recognizes organizations and initiatives that have made a significant contribution to building a more accessible and inclusive digital world. The Festival will take place virtually from 08th -12th November 2021 and all sessions will be streamed on the virtual platform.

Winners will be determined by people's choice and will be announced throughout the conference. ATG would like to acknowledge and thank our stakeholders for their endless support. If you have not already registered, **claim your free spot now** and be part of this largest tech and digital connectivity conference and exhibition in Africa.

2021 Grade 12 Exam Study Material

The National Senior Certificate Examination for the matric class of 2021 commenced on 27 October 2021. We continue to support learners as they are preparing for their exams. To that end revision video clips have been uploaded on our YouTube channel. We hope you find the content useful. We wish you the best of luck! Please find below links for the subjects of the remaining exams.

Physical Science

Technical Science

Life Science

Coding and Robotics Teacher Development Programme

In October 2021, ATG in partnership with UJ and UNICEF held a coding and robotic teacher' workshop which explored the pedagogical and practical implications of teaching coding and robotics. The objective of the workshop was to equip, encourage and resource teachers with strategies to help their learners gain a deeper grasp of coding and robotics curriculum. The workshop was a resounding success with over 890 teachers in attendance. You can **download the workshop presentations here**, the video of the event will be made available soon.
